FLOWER MOUND
CHAMBER of COMMERCE

Now that I am a Chamber member, how do I get involved?

After Hours Mixers are networking mixers that are usually planned on the 1st, and 2nd Thursday of each month. Mixers are held at different Chamber member locations each month. Fun, food and adult beverages will be available. The cost to sponsor a Chamber After Hours Mixer is \$400.00.

Ambassadors are the heart of the Flower Mound Chamber. They are the group that commits to attending most ribbon cuttings and grand openings. They will also be greeters at many events. Ambassadors are needed for ribbon cuttings typically on Tuesday mornings.

Annual Banquet is our annual awards luncheon that is held in February of each year. In the past years, the attendance for this banquet has averaged 200 guests.

Board Room The Chamber gladly offers you the opportunity to use our Board room in the event that you need a place to meet with a client. We ask that you call and reserve the board room. Note: It will only be available during Chamber hours, M-F 9:00a – 5:00p.

eNews! is the best way to stay connected. The Chamber emails an eNews! newsletter each week to keep you informed on all that is going on at the Chamber. The eNews! is our way of keeping in close contact with our members and to make sure that you don't miss anything that is offered. **Member Happenings:** each member may advertise an event or special offer 4 times a year in our eNews! at no charge.

Fiesta Flower Mound is our biggest event of the year. It is a community Party with Live and Silent Auctions held at the Embassy Suites. This year's event was our most successful Fiesta ever, with "sold out" attendance of over 600 local citizens and Chamber members.

Golf Classic Tournament is held at a local golf club in the spring of each year. Over the past several years our Golf Classic has averaged over 140 golfers. The 2020 Golf Classic was our most successful tournament with 100% sponsorships sold and 100% player spots sold.

Job Connect Members may advertise available positions in our weekly eNews! at no charge.

Leadership Flower Mound is a nine-month program that begins in September with a team-building course at nearby Stoney Ranch and ends in May with a graduation of the participants. Examples of classes include: The History of Flower Mound, Education, Community Service, Town, County and State Government. The class meets each month on the second Tuesday from 10:00 – 4:00 p.m.

Leads Networking According to Webster's, networking is "to interact or engage in informal communication with others for mutual assistance or support." Take advantage of this opportunity to spotlight your business and get direct results through "leads" generated from the group. Leads Networking meets the 2nd and 4th Tuesday of each month.

Monthly Chamber Luncheons are typically held the third Tuesday of each month. Attendance at luncheons will consist of approximately 120 Chamber members and members of local government. You may pay for your luncheon at the door and RSVP to: c.howard@flowermoundchamber.com

New Member Orientation is a quarterly program for our new members to learn the ins and outs of our Chamber. It is our goal that you leave this feeling excited and ready to maximize your membership!

SCORE provides confidential business counseling and mentoring at no cost, helping you avoid the potholes on the road to success. Call the Chamber to schedule your appointment today.

Sporting Clay Tournament is a great excuse to get out of the office in the morning and network with other Chamber members. There is no experience necessary so, come and have some fun! Look for this event in the Fall.

Unity in Communities Luncheon and the Mayor's Annual Address of the Cities are two events that are presented by the Flower Mound Chamber, the Lewisville Area Chamber and the City of Highland Village Business Association. The three mayors will be honored along with area non profit organizations that serve our communities. Join us for this special afternoon.

Website Included in your membership is a listing on our Website. If your company has a website we will build a FREE link to your website from the Chamber website. **Website enhancements are available for an additional charge.**

Workshops/Seminars Every year we offer several seminars or workshops to assist our members in different aspects of their business, like marketing, human resources and motivation. The topics will be determined by surveys and availability of presenters.
