FLOWER MOUND
CHAMBER of COMMERCE

Now that I am a Chamber member, how do I get involved?

After Hours Mixers are networking mixers that are usually planned on the 2nd Thursday of each month. Mixers are held at different Chamber member locations. Fun, food and adult beverages will be available. The cost to sponsor a Chamber After Hours Mixer is \$500.00.

Ambassadors are the heart of the Flower Mound Chamber. They are the group that commits to attending most ribbon cuttings and grand openings. They will also be greeters at many events. Ambassadors are utilized for special projects as needed.

Annual Banquet is our annual awards luncheon that is held in February of each year. In the past years, the attendance for this banquet has averaged 200 guests.

Boardroom The Chamber gladly offers you the opportunity to use our boardroom in the event that you need a place to meet with a client or host an event. We ask that you call and reserve in advance. Note: It will only be available during Chamber hours.

eNews! is the best way to stay connected. The Chamber emails an eNews! newsletter each week to keep members informed on all that is going on at the Chamber. Members may advertise available positions in the Job Connect section of our weekly eNews! at no charge.

Member Happenings: each member may advertise an event or special offer 4 times a year in our eNews! at no charge.

Fiesta Flower Mound is our biggest event of the year. It is a community party with live and silent auctions held at a local venue. This year's event was our most successful Fiesta ever with "sold out" attendance of over 600 local citizens and Chamber members.

Golf Classic Tournament is held at a local golf club in the spring of each year. Over the past several years our Golf Classic has averaged over 140 golfers. This year's Golf Classic was our most successful tournament with 100% sponsorships sold and 100% player spots sold.

Leadership Flower Mound is an exciting leadership training program designed to develop leadership skills. Leadership Dynamics begins each class, and lunch is provided. This nine-month program begins in September with a team-building course and ends in May with a graduation of the participants. Examples of classes include: Team Building, Education, Community Service, Town, County and State Government. The class meets each month on the second Tuesday from 9:00 – 4:00 p.m. Many graduates have gone on to serve the community in elected positions, or increased career opportunities.

Leads Networking Take advantage of this opportunity to spotlight your business and network with other likeminded business owners. Leads Networking meets the 2nd and 4th Tuesday of each month. The fee is \$5 per meeting.

Monthly Chamber Luncheons are typically held the third Tuesday of each month. Attendance at luncheons will consist of Chamber members and members of local government. You may register for the luncheon online.

Member Orientation is a quarterly program for our new and current members to learn the ins and outs of our Chamber. It is our goal that you leave this feeling excited and ready to maximize your membership!

SCORE provides confidential business counseling and mentoring at no cost, helping you avoid the potholes on the road to success. Call the Chamber to schedule your appointment today.

Unity in Communities Luncheon & the State of the Cities are two events that are presented by the Flower Mound Chamber, the Lewisville Area Chamber and the City of Highland Village Business Association. The three mayors will be honored along with area non profit organizations that serve our communities. Join us for this special afternoon.

Website Included in your membership is a listing and link on our Chamber Website. For an additional charge, your logo can be added to your listing.

Workshops/Seminars Every year we offer several seminars or workshops of various topics pertaining business to help our members succeed. The topics will be determined by surveys and availability of presenters.
